Our Core Products

D2P Trackdays

- Luxury trackdays in our cars (Lotus 3-11, Ferrari 458 Challenge and Ferrari 488 Challenge) – The Client drives;
- **1 or 2 Clients** (the Client decides) per car per day;
- Unlimited number of kilometers included;
- Racing 'look and feel': Race truck with lounge, personalized locker, helmet and car for each Client (nationality flag and name), branded cars, driving suits and gloves, cars manipulated by dedicated mechanics (air jacks,...), car racing pit atmosphere (laps live retransmission in pits (Race Navigator), laps data review on iPads (w/ Race Navigator);
- Instructor in the car for at least the 2 first sessions – the instructor will then decide if the Client can go on his own on track;
- D2P Pit Experience:
 - Physio on site between 02:00 pm and 06:30 pm each at each of our organised track day – on-demand free treatment;
 - On-site professional Racing Simulator (Vesaro);
 - Gift set at the end of the day;
 - Top catering and champagne at the end of the day;
- Offset of the carbon emissions through the Carbon Footprint program (www.carbonfootprint.com).

Our Core Products - D2P Academy

- The D2P Academy is a learning program consisting of five levels that will allow those Clients willing to progress to be able to be assessed by our professional instructors in a fair and consistent way.
- Clients will be classified by 'stars' that will provide their development level – 0 to 5 'stars':

Able to apply for an International C License*

Able to apply for an International D2/National C Circuit, International H Circuit*

Able to apply for an International D3 racing license (Fun Cup , BGDC<2L)*

Able to apply for a racing license for a « club series » (National 2cv)*

Acquired Track day beginners knowledge

The advantages of enrolling in the D2P Academy:

- Pack of 5 days will be available and these will provide the following advantages:
 - The Client will get her/his own bespoke D2P – with your name printed – driving suit, helmet; shoes and gloves (and you will be allowed to keep these after the training program);
 - D2P will pay for the first license exam fees by the RACB;
 - The cancellation policy is far less restrictive than the standard cancellation policy as the Client will be allowed to cancel her/his participation to the planned event up to 72 hours before the start of the event;
 - Those Clients will have priority for bookings and will be made aware of our calendar and calendar changes before other users;
 - Should the Client not be able to attend the 5 trackdays in a single year, she/he will be allowed to transfer them to the next year.

**to be granted by the RACB in a separate exam and procedure.*

Our Core Products

D2P Lifestyle

Concierge Service

From the airport to the hotel and to the track – Concierge Service

D2P would be happy to support your trip to the track (booking flying tickets, Luxurious hotel or flat/house booking, private jets or helicopter hire, transfers from/to the airport and from/to your hotel).

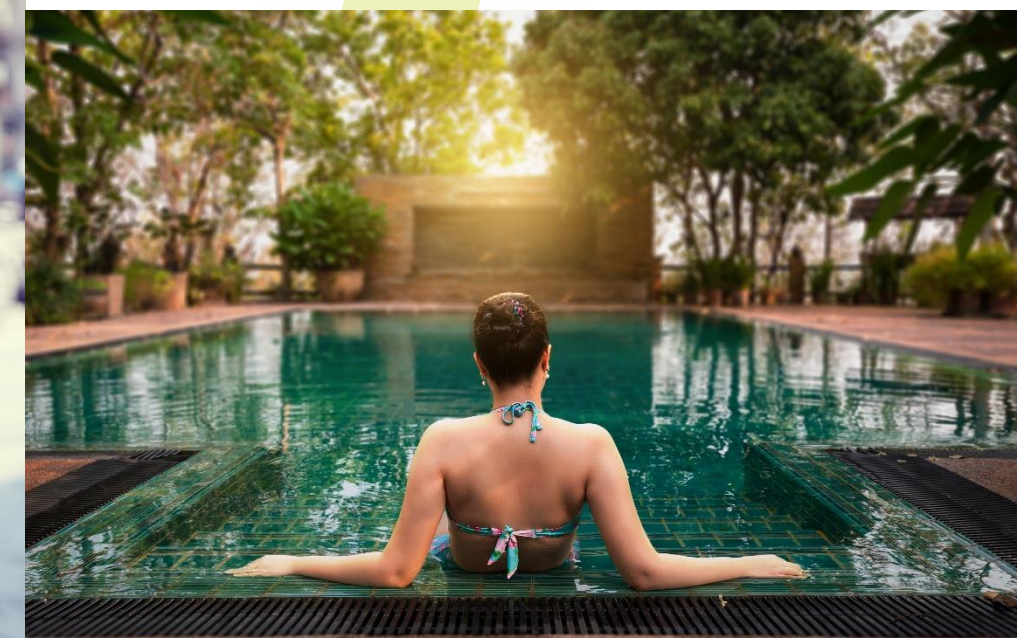

Entertainment Service

We can take care of your beloved ones while you are on track.

While our goal is to provide our Clients with an unrivalled learning and/or track day experience, we also understand that motorsports may not be a passion for everyone, and especially for our Clients' friends and beloved ones.

This option, available on our events on the Spa-Francorchamps and Paul Ricard tracks, would allow your beloved ones to enjoy his/her day while you are on track.

Contact us for available activities and for a quote.
